

## SCHAEFER TO SUCCEED DOLE

The McKinley Memorial Executive Committee Held a Meeting Yesterday.

A special meeting of the McKinley Memorial Executive Committee was called for yesterday afternoon by Governor Dole, for the purpose of selecting a temporary chairman to fill the office during the absence of the Governor at Washington. F. A. Schaefer, was elected as chairman pro tem.

The meeting was held in the office of C. M. Cooke, at the Bank of Hawaii, and was attended by the following members of the committee: Governor Dole, chairman; A. G. Hawes, secretary; J. G. Rothwell, Rev. W. D. Westervelt and K. J. Inanishi.

A discussion was held on the number of Japanese subscriptions which have been coming in steadily to the treasurer. These have been more numerous than the individual subscriptions of the Americans and other nationalities, as far as numbers go. The subscriptions among the Japanese have been extensive in the outside districts. The committee expressed itself strongly that pressure should be brought to bear upon the Americans and other nationalities in the Islands to send in their subscriptions with more alacrity. Mr. Rothwell suggested the drafting of a proposition for the improvement in the system of making collections and report at the next meeting thereon. The suggestion was adopted.

A vote of thanks was extended to Mr. Rothwell for his active work as treasurer during the absence of Mr. Cooke.

Upon motion of Mr. Westervelt that another member be added to the committee on grounds, so that during Mr. Dole's absence there would be three members remaining on the committee. Mr. McCandless was elected, and will associate on the committee with Messrs. C. M. Cooke and F. A. Schaefer.

Anecdote of Kalakaua.

Julian Ralph says that on one occasion when the late King Kalakaua held a reception at the Windsor Hotel, in New York, he stood in a parlor with the aidermanic committee doing the honors as the people passed by to shake the swarthy monarch's hand. All at once a man reached the king's side in his regular turn, shot out of the line, gripped the monarch's hand with a hearty grasp, and fairly shouted: "Why, Dave, old man, how are you?" "Why, Billy!" said the King. "I'm very glad to see you." "Put it there again," said the man; "it's a good many years, Dave, since you and I ran to dress together in Honolulu, isn't it?" And the King shook his hand again, smiling with delight at meeting a familiar face among such a multitude of strangers.—Argonaut.
